• Bring your attention to the present moment. We are going to start by taking a Mindful Minute.
• Start bringing your attention to the breath, noticing its qualities (fast, slow, warm, cool, shallow, deep…).

Next Steps Implementation?

- What can you do on Monday?
- What can you do for online classes?
- How can you share these strategies with colleagues?
- What can you do in preparation for return to school?

Human relationships are the essential ingredient that catalyze healthy development and learning.
