Q/A

“Teachers make more minute by minute decisions than brain surgeons...and that is why you are going home exhausted each day.”

Dr. Tina Boogren
**Equity**

- Mindfulness practice
- Building sense of optimism

**Teacher well-being**

- Encouraging responsibility for greater good

**Culturally responsive teaching**

- Trauma informed practices
- Growth mindset
- Perseverance

**Student well-being**

- Resiliency
- Cooperative learning

---

**Social-Emotional Learning + Culturally Responsive Teaching**

**Social, Emotional, and Cultural Lens**
Using the social, emotional, and cultural lens, teachers...

- teachers ask different questions about their students,
- gather different kinds of data, and therefore;
- respond to students more equitably.

Anchor Competencies Framework

A roadmap to teaching with a social, emotional, and cultural lens

Social, Emotional, Cultural Anchor Competencies Framework

Combined best practices and research in teaching and learning

Developed with educators

Respected educator's knowledge of their students

Intended to be foundational to academic achievement

Provided a common language and roadmap to integrate SEL and CRT in the service of equity
For student achievement and ability to thrive, we need a professional development pipeline with no leaks...
Goals
- A safe and supportive learning environment
- Equity in teaching and learning
- Resilience and sense of optimism
- Academic success
- Responsibility for the greater good

Context (teacher and student)
- Family/Individual
- Community
- Cultural
- Socio-political
To develop the lens...

> Explore assumptions/beliefs
> Provide modeling
> Practice
> Reflect

Anchor Competencies

», Build trusting relationships
», Foster self-reflection
», Foster growth mindset
», Cultivate perseverance
», Create community
», Promote collaborative learning
», Respond constructively across differences
