Attitude of Gratitude

Engaging Activity: Attitude of Gratitude

- 1. Sit comfortably, and if you like you can close your eyes.
- 2. Think of something/someone in your life for which you are thankful, or grateful. It can be anything or anyone!
- 3. Take a few moments to just appreciate this thing or person.
- 4. Now think of another thing or person for which you are grateful.
- 5. Take a few moments to appreciate this thing or person.
- 6. Notice how you feel.

*As you introduce this exercise, you might want to model an example for learners before bringing them through the exercise.

*This is a nice exercise to take a few responses from learners after the exercise is finished.

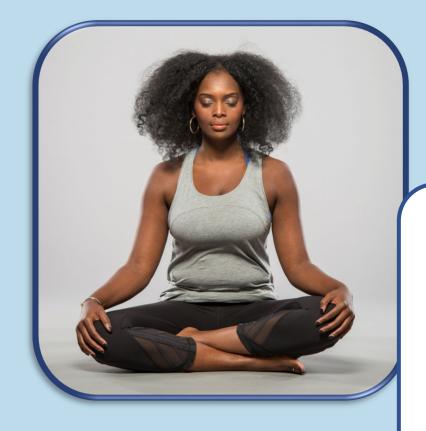

Even In - Even Out Starfish Breathing or Take Five Ocean Breathing

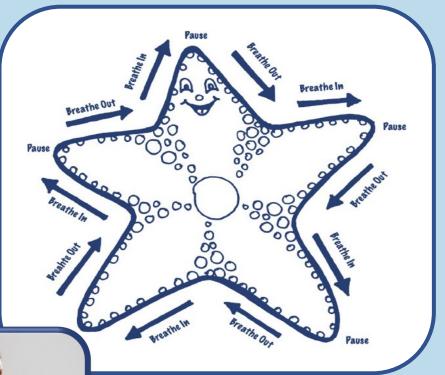

Engaging Activity: Even In - Even Out

- Start in Seated Mountain with a tall spine, relaxed shoulders, and eyes gently closed.
- 2. Breathe naturally through the nose.
- 3. We are going to focus on making our inhales and exhales even.
- 4. Inhale deeply through the nose and exhale through the mouth for a count of one.
- 5. On the next breath, lets count to two on the inhale and the exhale.
- 6. Repeat, continuing to extend the breath up to a count of five.

Engaging Activity: Starfish Breathing or Take Five

- 1. Make a starfish with one hand, fingers spread wide.
- 2. Put the index finger from the other hand on the outer base of the thumb.
- 3. We are going to trace the outline of our starfish hand. Keep looking at your pointer finger while you do your breathing.
- 4. Inhale (finger traces to top of thumb).
- 5. Exhale (finger traces down the other side of thumb).
- 6. Repeat until you have traced the outline of the starfish hand.

*Learners are synchronizing their movement, breath, and gaze. On the inhale, index finger and eyes trace upward along a finger; on the exhale, index finger and eyes trace downward along a finger. Each upward movement is coupled with an inhale, whereas each downward movement is coupled with an exhale.

*After Starfish Breathing, you can have learners rest their hands on their chest, continuing to breathe mindfully, as they silently recall three things for which they are thankful.

Engaging Activity: Ocean Breathing

- 1. Inhale through your nose.
- 2. As you exhale, whisper the sound ahhh through your mouth. Repeat two or three times.
- 3. On the next breath, close your mouth, exhale, and send the whisper sound through your nose.
- 4. See if you can find the same whisper sound in the nose on the inhalation and the exhalation.

^{*}Ocean Breath is created by lightly constricting the throat to create a hissing sound as you breathe in and out through the nose.

^{*}If you can't find the sound at first, just keep practicing.

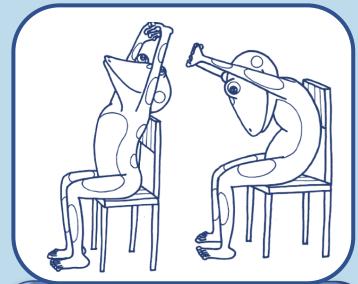

Chair Cat/Cow Chair Sunrise Twist Seated Figure Four

Recharge Sequence Mountain/Chair Strength Sequence Tree Pose

Engaging Activity: Chair Cat/Cow

- 1. Sit in Seated Mountain with hands on knees.
- 2. As you inhale, stretch your arms overhead and interlace fingers. Reach the center of your chest up toward the ceiling, and lift your chin so that you are looking at the ceiling. (Cow)
- 3. As you exhale, in one movement bring your hands forward, round your spine and drop your chin toward your chest. (Cat)
- 4. Repeat for several breaths: inhale, arms up, gaze lifts, chest up. Exhale round the spine, chin tucks, hands forward.
- 5. Return to Seated Mountain.

*You can have young learners moo like a cow and meow like a cat. Just make sure the do a few rounds moving with the inhale and exhale first.

*If on the floor, learners can come to hands and knees. Inhale, the belly drops down toward the floor and we look up toward the ceiling (Cow). Exhale, look at your belly button and round your spine (Cat). Repeat for several breaths.
