Optimistic Closure: Home Practice

Building on your practice today; in the days ahead, continue your journey of self-awareness and exploration. Consider your responses to these questions:

- *What are examples of healthy ways to relax or reset for you?*
- *What do you do to relax or reset?*

And, consider *keeping a sleep, movement, or active relaxation journal.*

Journaling can be an effective way to track your progress and most importantly, allow you to make more coherent correlations between basic, yet crucial, habits and what is going on in the rest of your life.
