Optimistic Closure: Home Practice

Continue your practice at home:
Practice a mini mindfulness walk whenever and wherever you can.

A mini mindfulness walk acts as a speed bump throughout the day, slowing us down so we can tune in to our surroundings and ourselves.

You can practice mindful walking anywhere, at any time:

- ❖ *around the perimeter of a room or a large table,*
- ❖ *down a hallway,*
- ❖ *or up a flight of stairs.*

It's not how many steps you take that matter, but the mindfulness of each step taken. When you feel overwhelmed, a mini mindfulness walk can calm your mind and body.
